

Speech for the
Chevalier dans l'Ordre des Palmes Academiques

Dear Mr. Dominique Maillard and colleagues,

I would like to thank you very much Mr. Maillard and Mr. Mandil for your very kind words and for this very prestigious award. I feel very humbled.

This award honours not only me and my own work but also many other colleagues of the International Energy Agency, particularly those working with me in the Economic Analysis Division. Such success would never have been realised without their enormous efforts, so if you allow me, I would like to dedicate this honour to my colleagues in the Economic Analysis Division.

Finalemment, c'est un grand honneur et un grand plaisir pour moi de recevoir cette distinction.
Merci infiniment M. Maillard
